MPS SCHOOL SONG

Where do we go from here?  Where do we go from here?
We go up, we go higher  Anyone of us
Can learn to be a flyer
We’ll explore, we’ll travel far
Take a look at us and
You will know we are
Exactly what we’d like to be
We can hear your words
And better we can see
The road ahead,
Although it’s long
It doesn’t frighten us

We know we can be strong
Enough to stand
And state our case
And make our new world
A more exciting place
Just watch us grow
Just watch us fly
There’s nothing we
Can’t do you know
We only have try!
